CORRESPONDENCE MEMORANDUM

DATE: August 10, 2010
TO: Employee Trust Funds Board
FROM: Matt Stohr, Director
Office of Communications and Legislation
SUBJECT: Member Correspondence

This memo is for informational purposes only. No Board action is required.

For each Employee Trust Funds Board meeting we enclose a sampling of member correspondence (letters and e-mails) the Department has received from Wisconsin Retirement System (WRS) members since the previous Board meeting. The Department's response precedes each member letter. The majority of the member correspondence we have received since the last meeting relates to health insurance. Therefore, I do not have any correspondence to share with the Board as of this writing.

As you are aware, many WRS members contact their state representative or senator, the Governor, and/or their United States representative or senator about WRS issues. The Department received 15 member contacts through the Governor's office and legislators from June 2010 to present. All of these contacts have been responded to and addressed.

I will be available at the September meeting to answer any questions you may have.
